

Science-Industry-Symposium from KIT

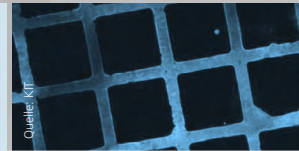

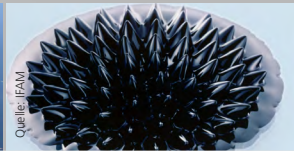

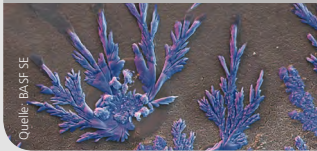

NanoVision²⁰¹⁷

Nanomaterials in harsh environments

Topics **Marine engineering offshore**
wind energy Manufacturing industries
Biomaterials Medicine

Location

- // **November 14th – 15th 2017**
- // Fraunhofer Institute for Manufacturing Technology and Advanced Materials (IFAM)
- // Wiener Straße 12, 28359 Bremen, Germany

Nanomaterials in harsh environments

Marine engineering offshore wind energy

Manufacturing industries Biomaterials Medicine

Registration:

www.nanomat.de/NanoVision2017

Early registration before August 14th, 2017:

250 € (students 60 €)

Invited Speakers – free of charge

Contact: nanovision@int.kit.edu

Organizing committee:

Jasmin Aghassi (KIT, NanoMat), Jürgen Barwich (BASF SE),
Bernd Günther (Fraunhofer IFAM), Nathalie Matter-König (KIT, NanoMat),
Christian Punckt (KIT, NanoMat), Volker Zöllmer (Fraunhofer IFAM)
