Name: 33rd European Photovoltaic Solar Energy Conference and Exhibition
(EU PVSEC 2017)

Date: Conference: 25 – 29 September 2017
Exhibition: 25 – 28 September 2017

Location: RAI Convention & Exhibition Centre, Amsterdam, The Netherlands

Event description:

The EU PVSEC is the largest international Conference for Photovoltaic research, technologies and applications and at the same time a PV Industry Exhibition, where specialized PV Industry presents technologies, innovations and new concepts in the upstream PV sector. It gathers the global PV community to present and discuss the latest developments in Photovoltaics, to network and to conduct business. It is the world renowned science-to-science and science-to-industry platform with a full and only focus on the global PV Solar sector.

RAI Congress Center in Amsterdam will host next year's EU PVSEC from 25 to 29 September 2017.

The 2017 EU PVSEC programme further develops the successful format from previous years.

The conference programme is coordinated by the European Commission Joint Research Centre.
